PROFESSIONAL EXPERIENCE

Designer de Comunicação Multimédia
Feb 2026 – Present
Magellan Circle (EU Projects - Horizon Europe)

Design and production of visual communication strategies and media for large-scale EU-funded projects. Transformed complex technical and policy data into clear infographics, presentations, and reports. Developed visual identity guidelines and managed digital dissemination campaigns.

Apoio ao cliente multicanal
Feb 2025 – Jul 2025
Essentiel Outsourcing

Provided omnichannel customer support (phone, email, chat) utilizing CRM tools (Salesforce, HubSpot, Zendesk).

Designer Multimédia / Instrucional
Aug 2021 – Jul 2024
ebankIT

Designed digital content and developed learning materials. Enhanced user interface & user experience (UX/UI) for internal platforms and e-learning tools.

Strategy and Operations
Nov 2016 – Sep 2020
ORM- Oporto Rental Management

Managed property listings on digital platforms; optimized bookings and dynamic pricing. Led communication with guests and vendors; produced detailed analytical reports.

EDUCATION & TRAINING

Full Stack Web Developer
EDIT (Sep 2023 – Mar 2024)

HTML5, CSS3, JavaScript, React, TypeScript, Python, Figma

BA in Communication Sciences
FLUP (Sep 2017 – Jun 2020)

Multimedia Specialization: journalism, marketing, graphic design, motion design, UX/UI, web development, and 3D production.

BA in Geography
FLUP (Sep 2009 – Jun 2013)

Focused on human and physical geography, data analysis, GIS (Geographic Information Systems), cartography, and urban planning.

AVAILABILITY & MOTIVATION

Eager to apply my analytical capabilities, creativity, and strong interpersonal skills. Available for immediate integration into versatile operational, creative, tech, or administrative roles.
